PROJECT RESULTS

Pre-Tests/Survey:

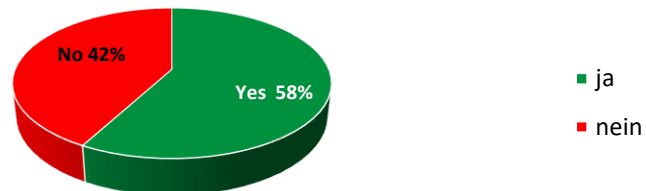

Do you find an interprofessional case discussion/ward round important?

Have you ever taken part in an interprofessional case discussion?

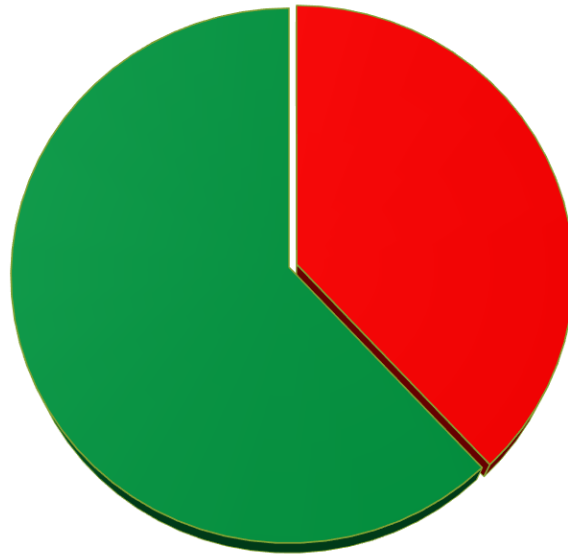

Is there an interprofessional ward round on your ward?

PROJECT RESULTS

An interprofessional approach enables more efficient patient care.

- 1 = I agree not at all
- 2 = I largely don't agree
- 3 = I don't quite agree
- 4 = I agree a little
- 5 = I largely agree
- 6 = I agree completely

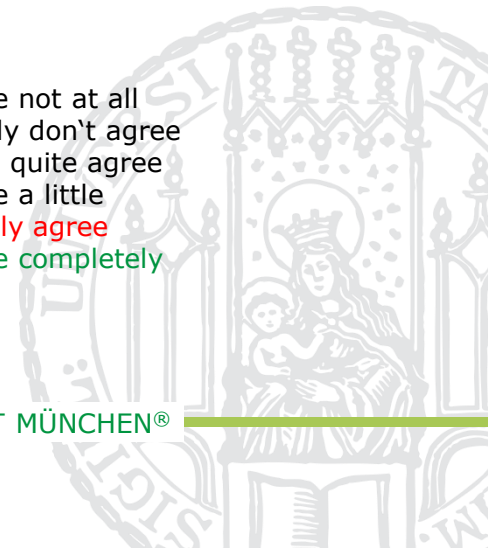

PROJECT RESULTS

Interprofessional team work improves the quality of patient care.

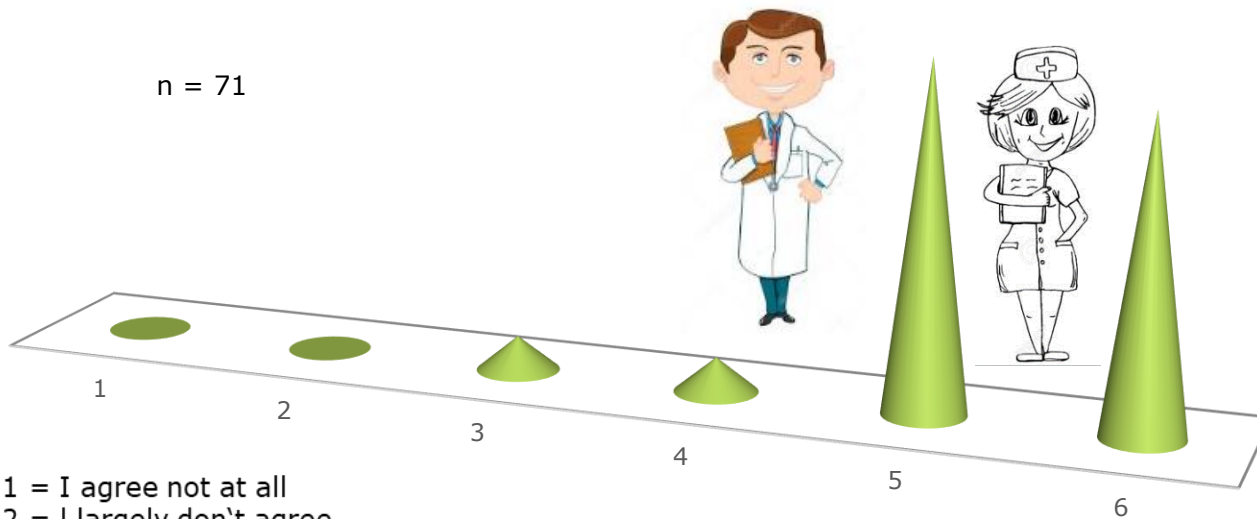

- 1 = I agree not at all
- 2 = I largely don't agree
- 3 = I don't quite agree
- 4 = I agree a little
- 5 = I largely agree
- 6 = I agree completely

PROJECT RESULTS

A common treatment plan prevents mistakes in patient care.

n = 71

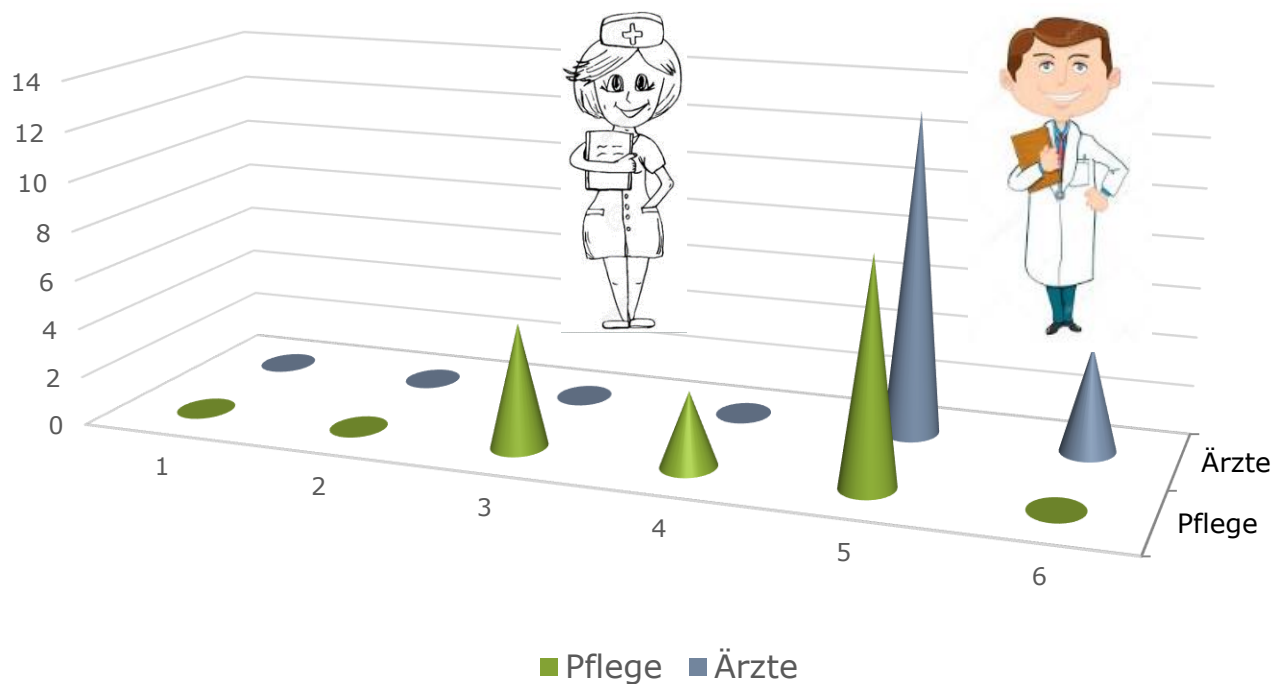

- 1 = I agree not at all
- 2 = I largely don't agree
- 3 = I don't quite agree
- 4 = I agree a little
- 5 = I largely agree
- 6 = I agree completely

PROJECT RESULTS

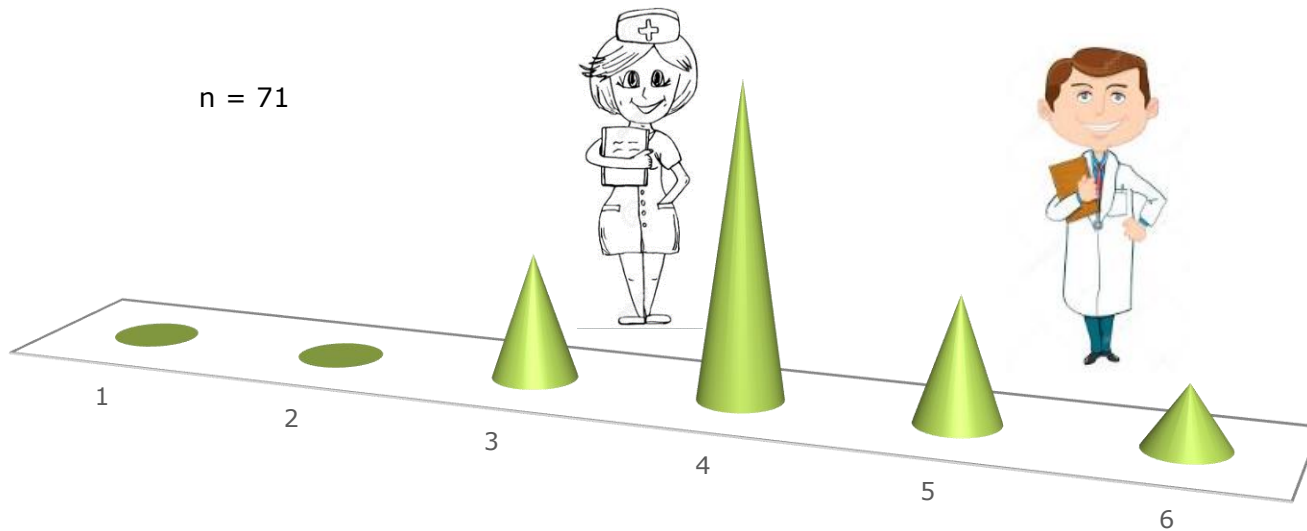

People from my professional group are positive about their professional roles and aims.

PROJECT RESULTS

People from other professional groups respect the work from my professional group.

n = 71

- 1 = I agree not at all
- 2 = I largely don't agree
- 3 = I don't quite agree
- 4 = I agree a little
- 5 = I largely agree
- 6 = I agree completely
