Throughout the year (often on the last Friday of the month) we will organise a meet up for our members to come together in a supportive environment and discuss topics that are important to our community. #INHWEMeets are run by facilitators and topics will usually fall into one of our [Working Group](#) or other pertinent areas of interest. To register, all you need to do is fill out the simple registration form and add your email. Each meeting will last around 1 hour and all members are welcome to attend.
