INHWE–AoME Joint Conference 2025

We are very pleased to announce that the next International Congress of Health Workforce Education and Research will take place at the **Open University** in Milton Keynes, United Kingdom on **Wednesday 14th** and **Thursday 15th May 2025**. The event is the 5th iteration of our main academic conference which we hold once a year and will once again be hosted in collaboration with the Academy of Medical Educators (AoME) after a hugely successful collaboration in 2023

The **Call for Abstracts is now open**. INHWE would like to invite potential participants to submit abstracts on the overall conference theme of Interprofessional Education or any topic related to our many INHWE Working Group themes. We will also accept abstracts submitted for topics that should be taught in an interprofessional way, such as communication and leadership.
