

ECHOES Conference in Cyprus

Hello again INHWE Members! We are pleased to announce **two dissemination events** for the [ECHOES project](#) in **Cyprus on Thursday 8th May 2025**. The meetings allow participants to gain an insight into the project, explore the results from our gap analysis into healthcare expertise across Europe and be one of the first people to sign up and test our platform. The first meeting will happen in the morning in **Larnaca** while the afternoon event will take place in the capital, **Nicosia**. Both events will give you a fantastic opportunity to network with colleagues in Cyprus and internationally while also providing a complementary networking lunch (Larnaca) or dinner (Nicosia) to enable further informal discussion. We hope to see you at one of these events in May!
