International Network for  
Health Workforce Education

**3RD INTERNATIONAL ONLINE CONFERENCE OF  
HEALTH WORKFORCE EDUCATION**  
FUTURE OF HEALTHCARE EDUCATION

**ONLINE**  
8-10 JANUARY 2025

Hello again INHWE Members! We are delighted to be able to share two key updates for our upcoming [3rd International Online Conference of Health Workforce Education](#) (8-9-10 January 2025). This three-day event is held to promote interdisciplinary, intercontinental co-operation and critical understanding of the latest research and practice in the field of health workforce education, training and development. [Registration is now open](#) and we have made the event **free to attend**, with a "Pay What You Want" model, which we hope will open the conference up to our diverse and wide ranging membership.

We are also very happy to share our [Provisional Programme](#) which contains presenters from over **20 different countries** spanning the globe. These international delegates will be highlighting their research on topics such as IPE, healthcare education pedagogy, health workforce policy and practice, digital skills, healthcare communication and much more. We hope to see many of you attending the sessions which really displays the strength of knowledge within our international community.
