Call for Abstracts & Social Activities

International Network for
Health Workforce Education**INTERNATIONAL CONGRESS OF HEALTH
WORKFORCE EDUCATION AND RESEARCH**
BUILDING COLLABORATIVE COMPETENCIESBARCELONA, SPAIN
26-27 JUNE 2024

The **Call for Abstracts** for [#INHWEBarcelona2024](#) is now open! We invite authors to submit abstracts on the topic of Collaborative Practice Competencies or on any other of the sub-topics related to healthcare education and training. Additionally, we're in the processes of planning our **social activities** which, as usual, will be free of charge. Like every year we'll organise a reception for all delegates as a place to relax and network in a more informal setting. But for 2024 we'd also like to include some health and wellness activities. We're considering walking tours of beautiful Sant Cugat and Barcelona, hiking in the Sierra de Collserola national park and other activities. If you have any suggestions please just let us know!

[Call for Abstracts](#)

The 4th International Congress of Health Workforce Education and Research will take place in Barcelona, Spain from **Wednesday 26th June to Thursday 27 June 2024**. The event, postponed in 2020, is the 4th iteration of our main conference which we hold once a year and is the prime meeting place for international health workforce educators, researchers and policy makers. This two day event is held to promote interdisciplinary co-operation and critical understanding of the latest research in the field of health workforce education, training and development.
