OASIS Webinar

Hello again INHWE Members! As part of the project consortium INHWE is delighted to invite you to the upcoming webinar of the [OASIS project](#) which provides attendees with an **introduction to the results of OASIS pilot studies** in 6 European countries. The webinar will take place on **16th January 2024** between **9:30 and 10:30 CET** and will be held via **Zoom**. In this event, Monica Brinzac, will present the results and experiences of the OASIS pilot projects. Additionally, Corinne Hinlopen, from the AHEAD project and health advocate from Wemos, will add her thoughts and reflections to the presentation. Please note, registration is needed for participation and the link can be found, along with the agenda for the meeting, via the buttons below:
