

ECHOES Project Update

Hello again INHWE Members! As you probably know, INHWE is a Partner of the ECHOES project, and after extensive work and testing, the platform is ready for dissemination. Therefore, it is our pleasure to invite you to register as an Expert on the [ECHOES Platform](#)

What is ECHOES?

The ECHOES (ExChange Of ExpertiSe in healthcare professionals' education) is a free, user-friendly digital space where healthcare **Experts** can showcase their skills, knowledge, and areas of interest.

Universities, research centres, professional organisations, among other organisations, can find the expertise they need for research and teaching projects, networking and collaborations.

Why register?

- ✓ Increase your visibility
- ✓ Get involved in educational and/or research projects
- ✓ Build your network and connect with peers
- ✓ Contribute to reducing knowledge and skills gaps across Europe
- ✓ Gain access to webinars, matchmaking events, and updates on project opportunities.

Who is considered an Expert?

Anyone who can contribute to improving understanding, practice, teaching, or research in health, social care, or wellbeing. This includes practitioners, educators, researchers, policymakers, and advanced practitioners, among others.

What about if I don't consider myself an Expert?

You can also register on the platform as a "User," where you will be able to search for and contact experts, and attend free Webinars covering multiple professional skills (coming soon).

Registration is quick and free  www.echoesplatform.eu

If you have any questions you can use the platform's chatbot or the "Contact Us" form. We hope to see your expertise featured on the platform soon.
