How to get published – ten tips for an author

Professor Lesley Diack

School of Pharmacy and Life Sciences

Some info about journals

- Plagiarism
- Outcomes
- Timely publication
- 5-10% publish, minor c30%,
50% revise and resubmit, 10%
reject

10 tips – the pre 5

- Check journal is for you
- Search for similar articles
- Read articles
- Maybe reference some??
- Become a reviewer

10 tips – the next 5

- Check article flows and is coherent
- Conform to journal style
- Write to editor to ask if fits
- Be brave and go for it
- You can be rejected – take on board good advice/justify why not

Any questions
