RCSI: Professional Training Body for Surgery in Ireland

National Surgical Training Centre
Licensed to deliver, assess and certify:

- Basic Surgical Training (BST)
- Higher Surgical Training (HST)
 - 11 Specialties
- Professional Competence and Development Schemes

Institute of Pharmacy & MPharm Programme

RCSI was invited to establish and operate the Institute of Pharmacy as the managing body on behalf of the PSI

- The mission of the Institute is to promote excellence in the areas of patient care, professional standards, education and research in pharmacy.
- As the commissioning body for formal accredited CPD learning activities, the Institute will be responsible for delivering on the strategic aims of the profession and key stakeholders in relation to the development of pharmacists.

LEADING STANDARDS • ADVANCING PRACTICE

Embedded in our strategy is 'growth and excellence' – we are continually striving to extend our portfolio of offerings and demonstrate our excellence in education within Medical Health Sciences
